Last Updated: June 6, 2026.

Education

PhD in Economics, University College London, 2021 – Present.
MRes in Economics, University College London, 2021.
MSc in Economics, University College London, 2020.
BA in Economics, University of Cambridge, 2018.

Research Fields

Econometrics, Unstructured Data, Factor Models.

Working Papers

“Identification and Estimation of Simultaneous Equation Models Using Higher-Order Cumulant Restrictions” (R&R at *Journal of Econometrics*).
“Moment-Based Inference for Regression with Latent Dirichlet Covariates.”

Work in Progress

“Micro-foundation for Topic Models.”

Teaching Experience

ECON0019, Econometrics (UCL, Undergraduate), 2021 – 2022, 2025 – Present.
ECON0064, Econometrics (UCL, MSc), 2022 – 2025.
ECON0005, Statistical Methods in Economics, 2021 – 2022.

Scholarship

Center for Microdata Methods and Practice (CeMMAP)
PhD scholarship, 2022 – Present.

Conferences and Seminars (including scheduled)

UCL Econometrics Brownbag Seminar.
2026 Asia Winter Meeting of the Econometric Society, 2026 Econometric Society Interdisciplinary Frontier Economics and AI+ML Meeting (ESIF-AIML2026), 2025 UCL-CeMMAP Ph.D. Econometrics Research Day.
